Control

YOUR HOME AT YOUR FINGERTIPS

Today your home has become more than just somewhere to retreat too - it has become a sanctuary for you and your family; a haven where you feel comfortable, a place to relax, a place of enjoyment for your family.

Style

SIMPLE, INTUITIVE ELEGANT ITALIAN DESIGN

A contemporary glass design with fast and precise response to your delicate touch.

COLOUR DESIGN FREEDOM

Any colour can be created giving you a completely bespoke quality design to suit any room or match any object.

INTELLIGENT, DISTINCTIVE DESIGN

Good lighting and mood setting can easily transform the feel of a room as well as it functioning more energy efficiently. The sleek design hides away the technology, without compromise to any of its functionality. Each faceplate can be uniquely programmed to suit your individual room's requirements.

Comfort
